

NEWSFLASH
PAGB AWARDS FOR PHOTOGRAPHIC MERIT

The PAGB will be running an additional Adjudication in December 2010 – with a difference!

This event (which will be for one day) will only be open to applicants **who do not wish (or are unable) to attend the assessment of their work.** This will reduce the amount of Administration required and avoid the need to hire a large hall suitable for an audience.

All other aspects of a normal adjudication will apply (eg using six PAGB accredited judges) so there will be no relaxation of standards.

The Adjudication – which will be for Credit and Distinction levels only – has limited spaces which are filling quite nicely.

Interested? Please contact your Federation Awards Officer for details of how to enter and qualification criteria.

Note

The lists for the next full Adjudication (where you can attend if you wish) due to be held in April 2011 are shortly to be opened. There are already a number of applications “on hold” and it is likely that this event will fill quite quickly. Do not delay applying.
