Judge

Walter Benzie ARPS

A word from Our Judge **Walter Benzie ARPS**
Vice-President Royal Photographic Society

Firstly thank you so much for allowing me to review your work; I found the whole experience very entertaining and exhilarating. Natural history images were very well represented and to a very high standard; what was also apparent was that many of the “altered reality” pictures were innovative and creative – a far cry from many of the examples I see at club level.

Most pleasing of all was the great variety of work entered. In my final selection, I was delighted to see so many different types of work featuring.

Well done indeed to the top clubs (I still don't know who they are!) and to all those individual photographers who gained merit awards and top scores.

Many thanks too to Faversham & District Camera Club and their team who have worked so hard to make this event a success.

For me photography should be about expressing yourself and having fun. I am looking forward to meeting you on March 8th.

Walter Benzie ARPS

Diamond Jubilee address from **Alan Lomakin**
Chairman Kent County Photographic Association

Welcome everybody to the fourth Diamond Jubilee Trophy. Organised this year by Faversham and District Camera Club. It may well feel like familiar territory to you because we were here just a few months ago celebrating a brilliant Ross Cup. So it is with complete reassurance we can be confident that Faversham Camera Club and their team will deliver a spectacular show here today.

I am extremely delighted to introduce our Judge this year. The current Vice President of the RPS. Mr. Walter Benzie ARPS. Walter, like me, has no idea of the final results so our interest is held right to the very last moment.

We are introducing a new trophy to this event. It is "The most improved club". So, if your club did not do as well as expected last year but has shown significant improvement this year the trophy will be yours.

Many thanks to all the clubs that entered and
Good luck to you all.

President
Alan Lomakin

Diamond Jubilee address from **Richard Cornelius CPAGB** Chairman Faversham & District Camera Club

Faversham & District Camera Club welcome you to the K.C.P.A Diamond Jubilee Trophy 2014, we trust you will all have an enjoyable day.

We were delighted that a total of 31 clubs have entered this year, thank you for taking the time to make your selections and enter the competition, I'm sure the competition will be worthy of all your efforts and hard work.

The high quality and variety of images submitted I know presented our judge, Mr Walter Benzie ARPS, with a significant challenge selecting from the 248 images the 5 Merit Awards and overall winning image that receives the Premier Award and the Ashford Photographic Society Shield.

As the Chairman of Faversham and District Camera Club, my thanks must go to the Faversham club members that have spent a lot of their time in managing all the tasks necessary to run this event on behalf of the K.C.P.A., apart from the hard work of our team in hosting the event the overall success also relies upon the response from the KCPA and your respective clubs, to make it something special.

The Diamond Jubilee Trophy goes to the **Isle of Thanet Photographic Society**, hearty congratulations to them, also to **John Hunt ARPS DPAGB** for his photograph **Great Grey Owl hunting for Voles** that deservedly wins the **Premier Award and the Ashford Photographic Society Shield**.

May I also pass on to those entrants that have received a Merit Award Certificate, my congratulations, very well done.

It's all going to happen again next year and we hope to see you at the venue, and wish the hosting club every success in putting together the Diamond Jubilee Trophy competition in 2015.
