Diamond Jubilee Address from Chris Shore FRPS MPAGB EFIAP BPE5* President Kent County Photographic Association

I would like to welcome you all to the 8th year of the running of the Diamond Jubilee Cup.

This year we have 33 clubs competing for this trophy along with various other awards and certificates.

On behalf of the KCPA I would like to welcome our Judge Jay Charnock FRPS and her Husband Robert to the event. Jay has spent, I am sure, a lot of time looking at the marking our work. I hope she enjoyed the task that was set and that we will enjoy her comments, and any helpful thoughts she may have, to help us improve.

Congratulations to the winners of any of the awards, especially to Ashford Photographic Society and Maidstone Camera Club, the two clubs that will represent the KCPA at the next PAGB PDI Championships at Warwick later this year.

Our thanks to Jay for her time and commitment to us in this event and I am sure we all hope she enjoyed the task. Also we wish them both and you all a safe journey home, and look forward to an even larger event next year.

Chris Shore
KCPA President

Comments from Jay Charnock FRPS, Diamond Jubilee 2018 Judge.

It was a great honour to be asked to judge this competition, and my thanks to the organiser(s) for doing a superb job.

I did not imagine that it would be such a challenge - but then I was presented with the best of the best!

The general standard was very high with an interesting mix of genres, which of course made it more difficult, and interesting, to judge.

At this level I felt that I wanted to see an individualistic approach, with the input from the photographer clearly evident. At the first run through several of the images were obviously going to score highly, and indeed, the winner was chosen as soon as I saw it.

All the images awarded the top score, and the merit awards, shared a common characteristic - they all showed a high level of personal input and photographic competence, irrespective of genre.

The winner, 'Blind Faith', was decided on the first run through - it just bowled me over. This image had all that you could wish for; composition - superb; choice of shutter speed and aperture - could not be better. Crucially, the timing was perfect, the runners in perfect sync with feet off the ground. Anticipation and timing is what separates a good sports picture from great one. The expressions on the faces of the runners added to the intensity and emotion of the moment. I had no hesitation in choosing this image as the winner.

Thank you for asking me to judge this competition.

Jay Charnock
