Diamond Jubilee Address from Chris Shore FRPS MPAGB EFIAP
BPE5* President Kent County Photographic Association

I would like to welcome you all to the 7th year of the running of the Diamond Jubilee Cup.

This year we have 33 clubs competing for this trophy along with various other awards and certificates.

On behalf of the KCPA I would like to welcome our Judge Peter Cheetham HonPAGB and his wife Carole to the event. Peter has spent, I am sure, a lot of time looking at the marking our work. I hope he enjoyed the task that was set and that we will enjoy his comments, and any helpful thoughts he may have, to help us improve.

Congratulation to the winners of any of the awards, especially to the two clubs that will represent the KCPA at the next PAGB PDI Championships at Warwick later this year.

Our thanks to Peter for his time and commitment to us in this event and I am sure we all hope he enjoyed the task. Also we wish them both and you all a safe journey home, and look forward to an even larger event next year.

Chris Shore
KCPA President

Peter Cheetham HonPAGB

Thank you for asking me to judge your competition. I have enjoyed seeing your pictures.

The overall standard was, as would expect with each Club selecting their best images, fairly high and I have had to spread the marks so that, hopefully, you didn't finish up with a tie.

I had about 16 images at the end to sort out into the 10 Merit Awards and the outright winner. The Auschwitz image, with its sombre tones told the tragic story very well, in total contrast to the colour in Frost Hollow with the sunlight foreground. Nature photographers push the standards higher each year and menace of the Buzzard 4549 was well depicted. The outright winner, another nature image, Female Chalkhill Blue showed the butterfly at its best with a good tonal range background. It really stood out as a winning image.

Peter W Cheetham HonPAGB
