

UPDATE : POSTPONEMENT OF COMPETITION

Dear Audio Visual entrant & Club Secretaries.

I write to inform you that, due to unforeseen circumstances at Seaford PS they are no longer able to host this year's KCPA AV Competition. Therefore, unfortunately the competition has to be postponed. The future of this competition will be raised at the Delegates Meeting when other options will be considered by the Committee. In the mean-time all entries and cheques will be held over pending discussion at the Delegates Meeting on 24th November 2018.

Kind Regards

Tracy Hughes CPAGB LRPS BPE1*

KCPA President

Dear Audio Visual Entrant.

Thank you for your recent communication, I know you are disappointed that the audio visual event

has been postponed.

Sadly, amongst Seaford's reasons for not wishing to host the event is that it was not financially

viable, mainly due to lack of entrants.

The KCPA committee understand that a lot of work goes into making an audio visual sequence.

Whilst we are looking at the possibility of running the competition in Spring 2019, we need to ensure

that the competition does not run at a loss, and we lack the expertise to run the competition alone.

The KCPA therefore invites you, our expert audio visual enthusiasts who have more technical knowledge than we do, to come forward to assist us with a plan and advise and support us in this event,

with this help we can achieve this together and ensure the future of the competition.

We are planning on discussing this further at our delegates meeting on 24th November.

Thank you in advance

Tracy Hughes CPAGB LRPS BPE1*

KCPA President
