Online Exhibition 2020

The members of SPECTRUM PHOTO ART are disappointed that we cannot welcome you to our planned Exhibition at Denbies Wine Estate Gallery this year. Instead we have a small virtual exhibition on our website.

The Exhibition gallery can be found, along with our recently updated individual galleries, at <https://www.spectrumphotoart.co.uk/all-photographs>.

Many of you will be aware of our signature 'colour wall'. Click 'Exhibition' to find '**Oranges and Lemons**' or go to <https://www.spectrumphotoart.co.uk/exhibitions>.

Our next Exhibition is booked for 21 June - 4 July 2021, also at Denbies Wine Estate Gallery near Dorking. We hope to be able to welcome you there and plan a 'Meet the Photographers' session as usual. Details will be circulated in June 2021.
