

## **1 day Print Exhibition 3<sup>rd</sup> November Detling Village Hall.**

**9am to 4pm**

### **Purpose:**

Covid restrictions over the last few years have meant less print competitions within KCPA affiliated clubs and we want to give everyone a chance to show off their work, and rekindle interest.

The 1 day exhibition will give you a chance to have your prints exhibited (Max 3), No selection process. The prints can be old, or new. The KCPA 1 day print exhibition is designed to help bring Prints back!

It is a Non-competitive and free event (Donations of course accepted).

Why not coming along between 9 and 11 to drop off your prints and stay the whole day, meeting up and chatting with other KCPA affiliated club members, looking around at the prints on display and listening to the talks. Alternatively you may drop your prints off from 9 and 11 and return between 3.30 to 4 to collect them (or ask a club representative to do this for you).

Prints can also be delivered to 1 of the drop off points up to 24<sup>th</sup> October.

Even if you have not entered an exhibition before this will be your opportunity to come along and see your images on display, why not bring a few friends and family members along to see your and other club members work on the display boards.

No judging or awards given. However, Clive Tanner our President will be picking his favourite image and that person will be given a box of chocolates.

If you wish to ask for critique on your images we will have 4 KCPA Judges in attendance only too happy to offer this service to you. Namely, Steve Carroll, Clive Tanner, Roger Force and Alan Lomakin.

Roger Force FRPS DPAGB APAGB - Will be giving a talk on Judging.

Clive Tanner FRPS MPAGB APAGB - Will be displaying and talking about a selection of prints that have gained high honours for the relevant photographers. It will be a light hearted session, running for 30 minutes.

Steve Carroll FRPS DPAGB – Following on from his recent FRPS accreditation. Steve has decided to go for the MPAGB. His talk will show the 20 prints he hopes to submit for the M. His talk will also be about the differences between preparing an F panel for the RPS and preparing an M panel for the PAGB.

They are assessed differently and the requirements of the two organisations are very different. Steve will talk about those differences. Expected to run for 30 minutes
