

## **Our Selectors for the KCPA Annual Print & PDI Exhibition 2022;**

Our 3 Selectors travelled to Detling Village Hall on 2<sup>nd</sup> and 3<sup>rd</sup> April to score each of the 770 Prints and 995 PDIs that were entered into this year's exhibition by some of our affiliated club members.

They did an amazing job and we hope to welcome them back to select for us in the future.

### **JEAN BROOKS EFIAP/b. BPE2\***

Photography has been a large part of my life for over thirty years. I love exploring new places and trying to capture the beauty or essence of the place with my camera. I am particularly attracted by mood, shape, texture and colour and seek these out when composing my images.

I have long been involved in camera clubs and am currently Chair of Havant Camera Club after eleven years as programme secretary and five years of organising a BPE exhibition. For the last three years I have organised the Print and PI Leagues run by the Southern Counties Photographic Federation.

I have judged several national exhibitions and international salons and have given talks at camera clubs throughout the UK.

I sell my images through picture libraries and they have appeared in many national magazines, books, newspapers, calendars and tourist publications.

**GLYN EDMUNDS ARPS DPAGB EFIAP/g. APSA.**

Glyn has been involved with amateur photography for 35 years, as club member, exhibitor and judge. He got involved in the international exhibition circuit at an early stage in his photographic career and to date that has produced DPAGB, APSA. AND EFIAP/g

He also has Associateships from the three major U.K. organisations, BIPP, MPA and RPS

He has been assessing the work of others since 1991 and on the PAGB Judges' List since 2000. From acting as a Selector at the Southampton International in 1998 he has done 12 Internationals in 5 countries and lecturing or judging has taken him from Phoenix, Arizona up to Kinross and down to Johannesburg.

Glyn has over 1,800 acceptances and 140 plus Awards from work accepted in 67 Countries

For his services to photography Glyn has been awarded an Associate of the PSA (Photographic Society of America), only the 10th UK photographer to be recognised in this way by the PSA since its foundation in 1934. Closer to home, the PAGB presented him with an APAGB in 2013

No one is more surprised than the photographer to find himself shooting most of his images these days on a series of Huawei Phones - currently the amazing P30Pro. Indeed, of his last dozen International Acceptances, 10 have been from phone files.

It is always an honour and a pleasure to be asked to assess the work of others, and in additions to International Salons he has now select for some 40 Federation, BPE or National Events
