**Diamond Jubilee Address from Tracy Hughes CPAGB LRPS BPE2\*  
President of Kent County Photographic Association**

I would like to welcome you all to the 12th Annual Diamond Jubilee competition.

This year we had 35 clubs competing for this trophy along with various other awards and certificates. It is great to see so many of our clubs entering each year.

On behalf of the KCPA I would like to welcome our Judge Jay Charnock to the event. I hope Jay enjoyed the task that was set and I am sure we will enjoy her comments.

Congratulations to the winners of the awards, especially to Seaford P.S and Bexleyheath P.S, who will both should they accept the challenge, represent the KCPA at the next PAGB PDI Championships at Warwick in July 2023.

Our thanks to Jay for her time and commitment to judging this event for us.

I would like to thank all the clubs that entered the competition and everyone that have joined us at Ditton today for the Diamond Jubilee 2023 event. I hope you had an enjoyable afternoon, and I look forward to seeing you at future KCPA events (be they in person or online).

**Tracy Hughes CPAGB LRPS BPE2\*  
KCPA President & Competitions Coordinator**

## **Comments from Jay Charnock**

### **Diamond Jubilee 2023 Judge**

#### The KCPA DIAMOND JUBILEE Competition 2023

Many thanks for asking me to judge this competition. It was a great honour to be asked back by Tracy Hughes, KCPA President to Judge another competition for the federation. I was last here in 2018 when I last judged the Diamond Jubilee competition.

With so many amazing images I scratched my head quite a lot! Judging pictures from all genres against each other is not easy, and I had to reach a balanced view and give each image a great deal of consideration.

It is much easier to judge like with like - how does one compare a stunning Nature shot with an equally stunning Street photograph?

Interestingly, they both require a similar discipline; anticipation, timing, location and knowing your subject.

The overall standard of the images were high, and my final choices were based on whether the image 'spoke' to me.

Well done to those extra special images that got an award, and to the Winning club.

Jay Charnock
