**Diamond Jubilee Address from Tracy Hughes CPAGB LRPS BPE2*
President of Kent County Photographic Association**

I would like to welcome you all to the 13th KCPA Annual Diamond Jubilee competition.

This year we had 34 clubs competing for this trophy along with various other awards and certificates. It is great to see so many of our clubs entering each year.

On behalf of the KCPA I would like to welcome our Judge Chris Palmer to the event. I hope Chris enjoyed the task that was set and I am sure we will enjoy his comments.

Congratulations to the winners of the awards, especially to Ashford P.S & Faversham & District C.C, who will both (should they accept the challenge), represent the KCPA at the next PAGB PDI Championships at Warwick later in the year.

Our thanks to Chris for his time and commitment to judge this event for us.

I would like to thank all the clubs that entered the competition and everyone that has joined us at Ditton today for the Diamond Jubilee 2024 event. I hope you had an enjoyable afternoon, and I look forward to seeing you at future KCPA events.

Comments from Chris Palmer

The KCPA DIAMOND JUBILEE Competition 2024

Judging any high profile competition such as the KCPA's Diamond Jubilee is always pleasurable, but tinged with a heavy responsibility to recognise and acknowledge the successful images in a very varied entry. The best work emerged in natural history, applied, sport, creative, and portraiture, but I spent a good time working through the overall entry several times before arriving at my decisions, and fine tuning the marks too. It was gratifying to receive a large entry, but notable that the overall standard was quite wide, and I felt that it was important to reflect this in the scores.

It is often the case that the top awards come from natural history, but I was glad to reward a Lincoln Cathedral interior, a motorbike race, a humorous portrait, and a quirky caricature of Monica too.

Determining the Best Image award was agonising, a decision between a stunning shot of Black Grouse fighting, and a gentle monochrome portrait of a young girl gazing wistfully out of a window. In the end it was the latter that I chose, a product of the narrative and enduring appeal that I sensed from that particular image.

The decisions I came to were of course only my opinions and decisions, but I hope that all those that submitted work were pleased with their images anyway. I would like to thank all those that entered, and the KCPA for inviting me to judge such a prestigious event.
